TRADITION
meets
INNOVATION

Green Lane Mills is a 150 year old mill building bristling with character and has lost none of its charm through its transformation into stylish, modern apartments, fit for 21st-century living.

The cool ambience of cobbled courtyards, the exposed beams, original stone features, and the full height, glazed roof reception atrium all combine to create a picture perfect scene.

High ceilings and huge windows, which bathe the spacious apartments in natural light and offer far-reaching views of the surrounding countryside, give Green Lane Mills a unique quality of lifestyle.

Our apartments and houses combine the magnificent industrial heritage with modern, cutting-edge design complete with a quality specification, all of which gives the development its unique, contemporary twist.

The scheme enjoys a prime location on Green Lane, Yeadon within easy reach of all the local facilities in this desirable, leafy town.

Thanks to an elevated position, it also boasts panoramic views over the surrounding countryside, including the Aire Valley, Baildon Moors and the famous Ilkley Moors.

Green Lane Mills forms an attractive residential community with a semi-rural feel, yet it is conveniently located for commuters, with Leeds and Bradford city centres just a 15 minute train journey away from the nearby Guiseley railway station.

The scheme will provide a variety of architect-designed, one, two & three bedroom apartments, and four semi-detached and three terraced houses with gardens, all within the historic setting of the original mill complex.

Each home has been designed with luxury fixtures and finishes which will delight even the most discerning owners, in a setting which reflects the character and heritage of the Mill.

GREEN LANE MILLS

EXPERIENCE LIVING

at its finest

Green Lane Mills is perfectly positioned within easy reach of the vibrant commercial centres of Leeds and Bradford, whilst surrounded by beautiful countryside.

Yeadon is an area steeped in heritage, dating back to as early as the 7th Century but latterly was renowned as being one of the centres of woollen manufacturing in the 19th Century. Green Lane Mills, an original weaving mill and dyeworks, provides the setting and is situated at the heart of this popular suburb.

The town of Yeadon itself has at its centre a bustling high street with an array of local shops, supermarkets and a choice of eating and drinking establishments with many excellent cafes, restaurants, bars and pubs.

As a popular commuter town Yeadon is well connected by road, rail and, with Leeds Bradford International Airport nearby, is ideally suited for the national and international traveller.

There are a number of excellent schools for all ages, sporting facilities and parks to be enjoyed. Of particular interest is the nearby Yeadon Tarn, home to the Airedale Sailing Club; and The Chevin, a forest park with a magical mix of nature walks, wildlife habitats and cycle trails.

Leeds itself is the largest legal and financial centre in the UK outside of London and enjoys a most diverse economy as one of the UK's main employment centres. This success has led to a bid for Leeds to be named the European Capital of Culture in 2023.

ABOUT GREEN LANE MILLS

Green Lane Mills was built in 1868 on land purchased from the Rawdon Baptist Church by cloth maker, Thomas Pratt, who lived in Little London. Cloth was produced in the mill until 1906 when a fire gutted most of the buildings. Most machinery was lost as a result, but the weaving shed itself survived with minor damage.

The mill was rebuilt and became a Dyehouse for Naylor Jennings & Co., which then became part of the Viyella group.
